Digital Issues

All magazines are published digitally on www.Carreteras-PA.com and ads are linked to individual company websites giving subscribers immediate access to the advertiser's homepage via our user-friendly and searchable flip-book application.

Special services

Translation:

Translation of advertising material from English to Spanish is done free of charge for all advertisements. Any other translations including literature, catalogs or websites may be quoted upon request. Text or ads for translations, material instructions, questions or concerns can be submitted directly to the Production Department at ads@route1americas.com

Design & production:

Production of ad material, typesetting, layout or retouching may be quoted upon request.

Inserts & reprints: Want to reach a specific segment of our audience? Ask us about our special services. Gatefolds, bookmarks, tipping, reprints and other promotional material and inserts may be quoted upon request.

Terms of payment:

All billings are due and payable 30 days from the date of the invoice, and both the advertiser and its agency are jointly liable for the payment of the invoice.

Publisher will treat all position stipulations on insertion orders as requests only and cannot be guaranteed.

The Publisher's inability or failure to comply with any such condition shall not relieve the agency or advertiser of the obligation to pay for the insertion.

Agency commission:

15% commission is given to recognized advertising agencies only. Commission is not granted on reprints, production charges, etc. and will not be given to accounts that are 45 days past due.

Cancellations:

Insertion order cancellations or changes to ad material must be submitted in writing four weeks prior to closing date. An incomplete schedule will be subject to a short-rate computed at the earned rate.

TECHNICAL INFORMATION

We are here to help. If you require any technical assistance for supplying artwork for any of our publications, please don't hesitate to contact us at Ads@Route1Americas.com.

Print advert specifications

PDF files MUST be created to these specifications:

- Composite CMYK PDF as single pages - V1.3 PDF/X-1a:2001
- They must contain a Trim Box set to the trim size of the publication
- All fonts must be embedded
- Combined ink density should not exceed 300%

Please visit: www.pass4press.com for exact specifications and detailed information on how to create compliant PDF files.

Supplying Files

Please send all advertising artwork by our FTP site. Visit www.Mineria-PA.com and click the FTP link on the bottom of the page and follow all prompts.

You may also send files via email to Ads@Route1Americas.com

We make every effort to accurately publish advertisements, however if a proof is not supplied or you are unable to adhere to the PDF specifications we cannot accept responsibility for any errors or omissions that may result.
